

SnoKart

all year round snow sport luggage

14th October 2009

It's
Metro Ski and Snowboard Show time again!

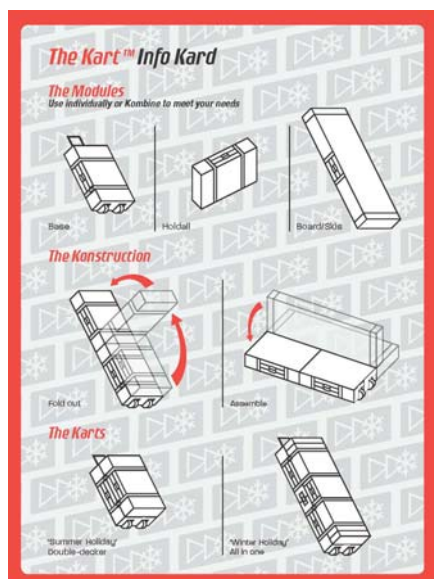

We launched at the fabulous show just one year ago and we will be there again next week for some more of the same exciting entertainment.

Our friends from SNO!zone and the Good Ski Guide Magazine will also be there and our bags will once again be carrying the latest skis and snowboards from our buddies at K2.

COME AND SEE US ON
STAND **G19**

We are up on the Gallery, just near the World Food area.
So checkout our luggage systems on your way to lunch or after a refreshing drink.

We will once again be offering special show prices and a competition, where you will have the chance of winning one of our innovative SnoKart bags.

Come and see us, say hello, checkout our SnoKart bags and our unique lightweight AIRLINER range.

Buy and takeaway the luggage you will need to make your snow holiday as easy as possible.

**AIR
LINER**
